Nominating Committee: Claudia has accepted the nomination to be Vice-President. A nominee for President is needed by the May meeting. The program committee will need one other member.

Cynthia has provided two possibilities for next year's budget depending on whether we go back to in-person meetings or continue online. In summary, if we stay online we look to break even and if we return to in-person we are looking at a small shortfall. Revised budget documents will be sent out before the May meeting at which time the budget will be voted on.
