Old business:

Cynthia had to make assumptions about spending for programs when creating draft budget; shows a slight loss overall, but these are estimates.

Layne suggested February or March may be good for a Zoom presentation that the guild could make money on by saving on travel and housing expense.

Discussion about ways to increase membership such as affiliate or Zoom only memberships.

Discussion about slight negative balance in budget; Donna said that adjustments can be made as year goes along.

Budget approved.

Officers: Claudia will be vice-president and in charge of programming.

As there was no candidate for president, Donna offered to continue on an interim basis for summer.
